

Hot Air

Message from the President

October 2013

October is a pretty cool aviation month in California. The runways have cooled down which creates a much more enjoyable experience of spending a day on the tarmac. The Navy and Air Force demonstration teams are not flying due to our ineffectual Congress, but a lot of cool stuff will still be in the air. Here is a listing of the California events taking place this month:

Oct. 4-6
Marine Corps Air Station Air Show
San Diego

Oct. 4-6
California Capital Air Show
Sacramento

Oct. 5
Livermore Open House and Air Show
Livermore

Oct. 5
Warbirds Over Paso Robles
Paso Robles

Oct. 11-14
San Francisco Fleet Week
San Francisco

Oct. 9
Redding Air Show
Redding

Oct. 26-27
Catalina Air Show
Santa Catalina Island

This is also a great time of year to enjoy our flying sites, since the schools are back in session. Both Entradero and Del Cerro are much more accessible. So, get out and enjoy our fields. This month, our Del Cerro Fun-Fly will be held on Saturday, October 5th and the Entradero Fun-Fly will convene on Saturday, October 19th.

Next Meeting

**Wednesday,
October 2nd
7:30 pm**

**La Romeria Park
19501 Inglewood Ave**

If you start to see me at the fields a little more regularly, especially during the week, don't be alarmed. I have decided to take an early retirement from my career at TRW/Northrop Grumman. It is time to make a change and decide what opportunities present themselves. I am looking forward to finishing a few languishing modeling projects and bending the sticks a little more often.

We will have a meeting Wednesday, October 2nd. Bring your latest project to the meeting and share it with the members. And bring a few bucks to join in the raffle.

See you at one of the fields or at the monthly meeting on Wednesday.

-Jeff

Upcoming Fun-Flys

**Del Cerro October 5th
Entradero October 19th**

PSF Treasurer's Report

Month ending 8/31/13

by: Mike Lewis, treasurer@peninsulasilentflyers.com

For the month ending 8/31, no changes have been made to the accounts, other than the usual \$0.13 in interest income. I was happy to finally attend a meeting due to an opening in my schedule and it was great to see everyone again. We received some checks at the meeting, and I will report on those next month. Until then!
