

Hot Air

Message from the President

September 2014

Everyone should have received the bulletin that SR-71 pilot, Jim Shelton, will be giving a presentation regarding his experiences flying the Blackbird this Wednesday, September 3rd. We will not be having a PSF meeting at La Romeria this month, so that everyone can attend Jim's presentation. The SR-71 was one of the most revolutionary aircraft ever built. Cool is an understatement when talking about the engineering achievements required to make this aircraft work. I hope to see all of you at the briefing on Wednesday.

Entradero Park sump refurbishment is underway. The heavy equipment is moving dirt around. The fence on the large field has been removed. The schedule for completion is flexible and the estimates vary depending on whom you talk to. I would be surprised if the work is completed before the end of the year.

When flying at Entradero during this construction period, try to avoid flying over or in close proximity to any construction workers. If you don't believe you can keep a reasonable distance from the workers, please don't fly. As always, safety first.

Let's try to hold a Fun-Fly at Entradero Saturday, September 20th. Note the Saturday rather than Friday date.

Del Cerro has been quiet the days I have tried to fly. Usually, during the week, I am the only one at the site. August is always iffy at best as far as lift goes, which may contribute to other folks not coming up to fly. The fall weather should bring a better wind pattern. Give me a call or shoot me an e-mail if you are planning to head up to the hill. Flying is always more fun with a group. The Del Cerro Fun-Fly will be Saturday, September 6th.

Also on Saturday, September 6th, the Chino Planes of Fame museum is hosting a living history event and will have two former P-38 Lightning pilots giving presentations about their experiences in World War II. Flight demonstrations will also be made if conditions are right. Details for this event can be found on the [Chino Planes of Fame website](#).

Once again, there will be no PSF meeting this month (September). Hope to see you at the Blackbird presentation or at one of the flying sites.

- Jeff

Upcoming Fun-Flys

Del Cerro	September 6th
Entradero	September 20th

Next Meeting

**No meeting in
September!**

**Go to the SR-71
presentation
instead**

From The Vice President

Jerry thought we'd all like to see his latest project - quite a beauty!

...and a photo from his recent retirement party

Treasurer's Report
